

Engineering Ahead 2025

This 4-day immersion program offers a unique opportunity to dive into the world of engineering. Whether you're considering a career in civil, electrical, mechanical, software or fabrication engineering, this program will help you explore what it's like to work in these fields.

Discover the world of Engineering in Year 10!

PROGRAM OVERVIEW

Term 1 - Tafe Gippsland Taster Day

Term 2 - Energy Provider Site Tour

Term 2 - University Taster Day

Term 3 - Small Industry Tour

WHAT YOU'LL EXPERIENCE

- Engage in exciting hands on tasks
- Participate in interactive industry talks
- Build connections with experts in the field
- Learn about cutting edge technologies and innovations

WHY APPLY?

- Explore different engineering careers
- Build valuable skills for your future career
- Get a head start in the engineering field
- Receive a certificate of participation

TO APPLY, COMPLETE AN APPLICATION FORM

Personal Details

Surname: _____ Given Name: _____

School: _____ Year Level: _____

Date of Birth: ____ / ____ / ____ Gender: Female / Male / Other _____

Address: _____

Suburb / Town: _____ State: _____ Postcode: _____

Home Telephone: _____ Mobile: _____

Email: _____

CIC Card Number: (optional) _____

Medical history/information relevant to your program participation

Please list any
current Medical
Conditions
(including
allergies):

Please attach
copy of plan

Do you have
Ambulance Cover?

YES / NO

Emergency Contacts (e.g. parent/guardian)

Emergency Contact:

Name: _____

Relationship: _____

Home Telephone: _____ Work: _____

Mobile: _____

Why would you like to participate in this program?

What do you hope to achieve from this program?

PHOTOGRAPHY / AUDIO / VIDEO AUTHORISATION

(To be completed by parent/guardian if the applicant is under 18 years of age)

PHOTOGRAPHY/Audio/Video

The Baw Baw Latrobe Local Learning and Employment Network (BLLLEN) will be promoting the Engineering Ahead Program: -

Photographic footage will be taken for the purpose of building an image library to showcase education and training programs. Images selected for inclusion in the image library may be used in marketing and communication initiatives including exhibitions and displays, printed collateral, outdoor advertising campaigns and website and e-marketing promotions. Images may be shared with BLLLEN's education network (schools and Victorian Government Departments) for the purpose of promoting the program.

As the parent/legal guardian of the child/student named above, I agree to and provide permission for the photographic, video, audio or any other form of electronic recording of the named student for and on behalf of the BLLLEN.

I acknowledge that ownership of any photographic, video, audio or any other form of electronic recording will be retained by the BLLLEN.

I authorise the use or reproduction of any recording referred to above for the purposes of publishing information materials and resources which promote the Engineering Ahead to students, teachers, parents, and the community without acknowledgment and without being entitled to remuneration or compensation. The recording may be used on the BLLLEN and Department of Education and Early Childhood Development websites.

I understand and agree that if I wish to withdraw this authorisation, it will be my responsibility to inform BLLLEN, on telephone (03) 5633 2868.

I understand the nature and the consequences of what is being proposed in the above paragraphs. If there has been any matter of uncertainty, I have sought clarification from the BLLLEN, or some other person that has explained any such uncertainty to my satisfaction.

Date: ____ / ____ / ____

Signature (**student**) _____

Date: ____ / ____ / ____

Signature (**parent/guardian**) _____
